Computer Owners' Forum - Operating System Survey - October 19, 2015

The following chart shows the Editions of Windows that can be upgraded to Windows 10 for free. Don't know your Operating System Edition; go to Control Panel then View by Large icons, click on "System". Your Windows Edition and Service Pack number will be listed at the top of the screen. A 32 bit system can only be upgraded to a Windows 10, 32 bit system and a 64 bit to a 64 bit Operating system.
